

Information and recommendations for teachers and kindergarten educators

Dear teachers and educators,

in order to make it easier for you to organize your visit to the Gärten der Welt with a school class or kindergarten group, we have compiled the following information for you.

You do not have to register your school class or kindergarten group in advance. You can simply show up and spend the whole day with us. There are no time contingents, reservations or anything like that.

The Gärten der Welt offer a discounted school class ticket for school classes. For a school class of max. 30 students, including three accompanying persons, you only pay € 25,00. For kindergarten groups, admission to the Gardens of the World is free of charge for a group of max. 30 children including three accompanying persons.

For this purpose, please bring a [school or kindergarten certificate](#) from your institution and hand it in at the ticket office. The school class and kindergarten group ticket is only available at the staffed ticket offices at the main entrance (Blumberger Damm 44) or at the north entrance (Eisenacher Straße 99). It is valid for one-time admission to the Gardens of the World.

We kindly ask you to treat our facilities with respect and care and sign this [additional information sheet](#) and hand it in at the ticket office together with your school or kindergarten certificate. With your signature you also confirm that you have taken note of our [park regulations](#).

If you also want to use the cable car, the following conditions apply for school classes and kindergarten groups (outward and return journey):

Children up to 5 years free
Children up to 17 years5,00 €

The ropeway ticket is available at the ropeway ticket office by providing an additional school or kindergarten certificate. Per 9 children, one accompanying person receives a free round trip.

A price overview with all other ticket combinations can be found [here](#).
A map of the area can be found [here](#).

Please note:

The ropeway is only suitable for arrival and departure and not for use during your stay in the Gärten der Welt. That is because the school class or kindergarten group ticket will be invalidated if you and/or some of your students or kindergarten children leave the grounds of the Gärten der Welt, e.g. to use the ropeway. Since the ropeway is located outside (!) the Gärten der Welt, you will not be able to return to the Gärten der Welt after using the ropeway.

The operating hours of the ropeway differ from those of the Gärten der Welt. Please note that you will also need the appropriate school or kindergarten certificate for the ropeway, i.e. the school or kindergarten certificate for the Gärten der Welt and an additional certificate for the ropeway.

Our recommendation:

The Gärten der Welt and the ropeway offer you and your school class or kindergarten group a great opportunity to organize your visit. In order to make the most of your school class or kindergarten group ticket, we recommend that you plan your visit as follow, if you would like to visit the Gärten der Welt as well as ride the ropeway.

The best way to get there is to take the subway U5 to the “Kienbergpark” station. This is about 25 minutes from Alexanderplatz.

On the opposite side of the street you will see the cable car station “Kienbergpark”. There you can buy one-way tickets for the ropeway and hand in one of your school/kindergarten certificates.

Now take the ropeway up to the ropeway station “Wolkenhain”. If you like, you can get off here and enjoy the view from the Wolkenhain – a large viewing platform.

Then get back on the ropeway and continue your trip in the same direction. The ropeway now descends over the Gardens of the World to the ropeway station “Gardens of the World”. Here you have to get off.

Leave the ropeway station and walk to the right along Blumberger Damm for about 250 meters to the main entrance of the Gardens of the World. Hand in your second school or kindergarten certificate there to receive your school class or kindergarten group ticket for the Gardens of the World.

You can now stay in the Gardens of the World until sunset. Since the school class and kindergarten group ticket is valid for the outward and return journey, you can take the ropeway back to the subway station “Kienberg”. Please note the different opening hours of the ropeway. You can start your return journey directly at the ropeway station “Gärten der Welt” and don’t have to take the detour via Blumberger Damm.

Please let us know if you have any further questions or suggestions. We will be happy to help you! You can also reach the Gardens of the World Visitor Center Monday through Sunday from 10:00 a.m. – 6:30 p.m. by phone at 030 - 700 906 720 or by email at besucherzentrum@gaertenderwelt.de.

You can also find further information about the Gardens of the World, our events and other offers on our [website](#).

Please note all announcements on our [website](#).

We are looking forward to your visit!
